Greetings to all Maryland Dental Licensees:

As you know, the Board held its annual election in March 2012. The Board e-mailed numerous correspondences reminding licensees to vote; however, many of those e-mails were returned as undeliverable.

The Board has discovered that the fastest way to communicate with its licensees is electronically. Please visit our website at www.dhmh.maryland.gov/dental for Board-related information. Our website is up-to-date and easy to follow with important events that are immediately uploaded for your information.

To operate more efficiently and economically, the Board has opted to move towards "going green". Eventually, all information will be sent to you via e-mail messaging. However, license renewals and balloting for Board Membership will continue to be available by mail upon request.

The Board encourages you to provide a current e-mail and mailing address for your file. Please contact Rona Melton, Verifications Coordinator at (410) 402-8513 or e-mail us at dhmh.mddentalboard@maryland.gov with your current information.

Sincerely,

Laurie Sheffield-James
Executive Director
